CREEK 9 INITIATIVE

Our golf course. Our community.

**Big Canoe Voters Overwhelmingly Approve
Creek 9 Initiative**

The Big Canoe Board of Directors and management team would like to thank the Property Owners who voted in the Creek 9 Initiative – **with a 49 percent quorum**, 72 percent of the votes were in favor of the plan to rejuvenate the Creek Golf Course.

“Property owners strongly voiced their commitment to maintaining Big Canoe as a preeminent mountain community by passing the referendum for the Creek 9 Initiative,” Big Canoe POA President Bob Crouch said. “On the heels of our extensive campaign to spruce up Big Canoe, this project keeps our momentum going.”

Work on the Creek will fix course infrastructure, while updating its design to make it more playable for a broader range of golfers of varying skill levels.

General Manager Scott Auer is forming an implementation team with Bergin Golf Designs to ensure the project is completed on time, within budget and executed with excellence.
